e-submission

The Process

- We identified a solution - The Blackboard Assignment Tool *(Feb 2010)*

- We engaged with stakeholders and presented this solution *(march 2010)*

- We assessed stakeholders key requirements *(march 2010)*

- We re-evaluated the solution to address these key requirements *(April 2010)*

- We will re-engage with stakeholders to present the amended solution. *(The Turnitin integration within Blackboard) (April 2010)*

Stakeholder Requirements

- Digital Receipts / e-mail
- Anonymous Marking
- On the fly annotation (no need to download)
- Ability to provide Feedback
- Links to Plagiarism software
- Ability to show a moderation audit trail

The Solution

How does it work?

- How a tutor would set up an assignment
- How a student would submit
- How a tutor would mark and give feedback
- How a student would view that feedback
- How administrators process grades
